

LANDSCAPE TECHNICIAN needed for our expanding business

Tudbink's Farm is looking to expand our talent of landscape technicians.

We are a quality-focused, detail-oriented company that has a strong sense of teamwork.

While landscape related experience is important, formal landscape education is not required.

Please note ... this is not a lawn mowing/snow removal position.

Full time and part-time and year-round landscape work at both residential and commercial properties. Team player with positive attitude.

Job responsibilities include but are not limited to: Digging, planting various sizes of trees and shrubs, mulching, weed whacking, edging, trimming, and pruning. Assist with hardscaping projects, watering and irrigation duties. Will provide training for irrigation installation. When needed, will assist with retail greenhouse work during season and planter installs.

Requirements: Have basic knowledge of landscape plants. Operate outdoor power equipment (weed whacker, mowers, etc.), skid loader, augers, chain saw a benefit. Ability to lift/move up to a minimum of 75 lbs. Be in good physical shape. Punctual and dependable with clean professional appearance. Be able to work in all weather conditions. Willing to work overtime and Saturdays as needed during busy season (with overtime pay). Able to follow layout design and work without direct supervision. Communicate clearly to clients and fellow employees. Employees that are hired must not use tobacco (smoking, vaping, or chewing tobacco) due to crop contamination.

Required Experience:

High school diploma or GED
One year landscaping experience or comparable experience

License: Valid PA Driver's license. **Must have reliable transportation to and from our business location**

Wages: Competitive wages based on experience.

Benefits: Vacation, six major holidays, health insurance (full-time position only), and landscape related course/training classes.
